

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
SAN FRANCISCO BAY REGION

RESOLUTION NO. 70-74

AMENDING RESOLUTION NO. 70-32, AN ORDER TO CEASE AND DESIST,
BY DELETING THE PROVISIONS PROHIBITING ADDITIONAL CONNECTIONS
TO THE SEWERAGE SYSTEM OF SAN PABLO SANITARY DISTRICT

WHEREAS THIS REGIONAL BOARD

1. Adopted its Resolution No. 70-32, Ordering San Pablo Sanitary District to Cease and Desist violations of waste discharge requirements, on March 26, 1970.
2. Received an oral staff report on August 27, 1970, describing proposed immediate corrective measures which would permit the District to maintain its loadings when permanent works are completed at levels less than existed when the cease and desist order was adopted.
3. Received a staff report on September 24, 1970, to the effect that these proposed facilities had been completed and placed in operation on or before September 24, 1970.

RESOLVED BY THIS REGIONAL BOARD

1. Accepts the latter staff report as satisfactory evidence that San Pablo Sanitary District has instituted procedures which will reduce significantly the pollution loading to the environment from its sewage treatment plant during the interim period until permanent new facilities have been completed.
2. Amends its Resolution No. 70-32, an Order to Cease and Desist, to delete the provision prohibiting additional connections to the sewerage system of San Pablo Sanitary District as described in this Regional Board's Resolution No. 70-27.
